Subject: Registration of Centres run by Central Institute of Plastics Engineering & Technology (CIPET) and Apparel Training & Design Centre (ATDC) under Skill Development Initiative Scheme (SDIS)

Sir/Madam,

As you are aware, a proposal to make significant changes in Skill Development Initiative (SDI) scheme is under active consideration of the Government. Government is also actively considering making many changes in the process followed under the scheme. The issue of running more and more programmes through training providers having proven track record and leading to higher level of employability is also getting increased attention of the Government.

CIPET and ATDC are two such training providers who have been in the area of training in the sector of plastic, apparel and fashion design respectively for quite some time. With the active involvement of both these organisations, good number of new courses under MES-SDIS have been approved for plastic, apparel and fashion design sectors. A list of such courses is attached for your ready reference.

2. In order to ensure that these organizations through their multiple centres across the country are able to start the training of large number of candidates in these courses at the earliest, it has been decided that:

- (i) Centres running CIPET and ATDC be registered without taking payment of Rs.2,000 per centre.
- (ii) They be allowed to conduct training programme without paying the prescribed bank guarantee.

3. These facilities would be available to these two organizations, to begin with, for the first batch of various courses approved under the scheme in each of the centres registered with the concerned States.

4. You are also requested to kindly consider helping both these organizations register their centres by expediting inspection of the centres applied for so that they may start first batch of training at the earliest.

Yours faithfully,

(Dinesh Nijhawan)

Director (SDI)

CENTRAL INSTITUTE OF PLASTICS ENGINEERING AND TECHNOLOGY (CIPEET)
VOCATIONAL SKILL DEVELOPMENT COURSES

List of Courses in Plastics Processing

Sl. No.	Course Code	Name of Courses	Duration of Training in Hrs.	Entry Qualification	Batch Size
Sector - Plastics Processing					
1	PLA601	Injection Moulding Machine Operations (IMMO)	1200	8 th	50
2	PLA602	Film Extrusion Machine Operations (FEMO)	800	8 th	50
3	PLA603	Pipe & Profile Extrusion Machine Operations (PPEMO)	800	8 th	50
4	PLA604	Blow & Roto Moulding Machine Operations (BRMO)	1000	8 th	50
5	PLA605	Plastics Recycling Machine Operations (PRMO)	1200	8 th	50
6	PLA606	FRP Products Manufacturing Operations (FPMO)	800	8 th	50
7	PLA607	Plastics Sacks Machine Operations (PSMO)	800	8 th	50
8	PLA608	Plastics Pipe Fitting & Joining Operations (PPFJO)	800	8 th	50
9	PLA609	PVC Pipe Threading Machine Operations (PPTMO)	800	8 th	50
10	PLA610	Testing & Quality Control for Plastics Materials & Products (TQC)	800	10 th	50
11	PLA611	Maintenance of Plastics Processing Machinery (MPPM)	1000	10 th	25
12	PLA701	Plastics Mould Manufacturing (PFMM)	1200	10 th	25
13	PLA702	Advanced Plastics Mould Manufacturing (APMM)	1200	10 th + PLA701 / ITI (Tool & Die making) / Diploma (Mechanical)	25
14	PLA703	CNC Lathe Programming & Operation for Plastics Industries (CNC-L)	1000	10 th	25
15	PLA704	CNC Milling Programming & Operation for Plastics Industries (CNC-M)	1000	10 th	25
16	PLA705	Plastics Product and Mould Design (PPMD)	1200	ITI (Tool & Die making) / Diploma (Mechanical)	25

List of Courses in Apparel

901	AdvanceApparel Manufacturing	1040	Certificate in AMT (GAR -804)	9
902	Apparel Manufacturing Technology(Knits) Advance	520	Certificate in AMT-Knits (GAR-702)	13
801	Apparel CAD/CAM	360	GAR-601& GAR- 701	17
802	Apparel Product Specialty Trousers, Knits, Jackets, Lounge wear)	360	ISMO (GAR-502)	20
803	Apparel Quality Assurance & Compliance	1040	12th pass or equivalent	23
804	Apparel Manufacturing Technology – Woven	1040	12th pass or equivalent	27
805	Apparel Pattern Making & CAD	1040	12th pass or equivalent	31
806	Textile Design Technology	1040	12th pass or equivalent	35
807	Apparel Production Supervision	520	10 th pass with 1 yr exp. or equivalent	39
808	Apparel Export Merchandising	520	Graduation	42
701	Apparel Pattern Making Basic	520	10th pass or equivalent	45
702	Apparel Manufacturing Technology (Knits-Foundation)	520	10th pass or equivalent	48
703	Apparel Production Supervision and Quality Control	520	10th pass or equivalent	52
704	Textile Garment Testing and Quality Control	520	12th pass or equivalent	55
705	Apparel Production Planning & IE	520	12 th pass with 2 yrs exp.	58
601	Garment Construction Techniques	410	8th pass or equivalent	61
602	Software Application In Pattern Making	220	10th pass or equivalent	64
603	Computerized Machine Embroidery	360	10 th pass	66
604	Apparel Quality & Compliance	520	12 th pass	68
605	Software Application In Textile Design	220	10th pass or equivalent	71
501	Surface Ornamentation Techniques	208	5 th pass	73
502	Industrial Sewing Machine Operation (Basic & Advance)	360	5th pass	75
503	Apparel Finisher & Checker	360	8 th pass	78
504	Industrial Sewing Mechanic Technician	360	8 th pass	82
